Modular Design (MD) Channel Pearls P2P Triangle

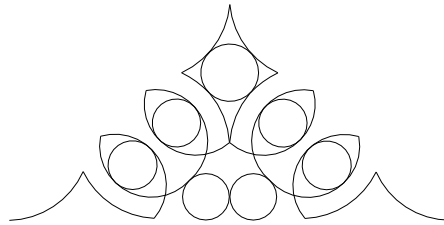

MD Channel Pearls P2P Triangle Base

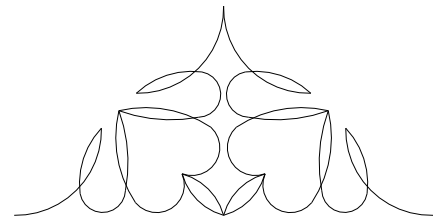

MD Channel Inside P2P Triangles

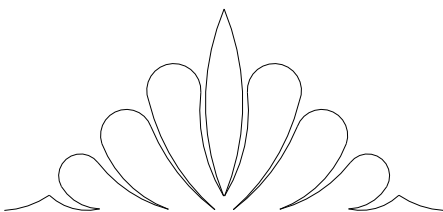

MD Channel Inside Featherish

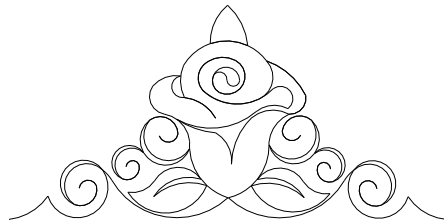

MD Channel Inside Loopy Circles

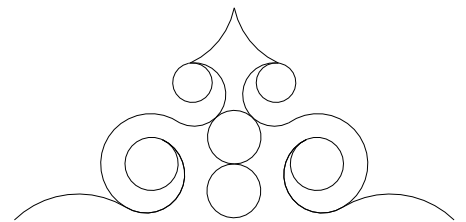

MD Channel Inside Loopy Hearts

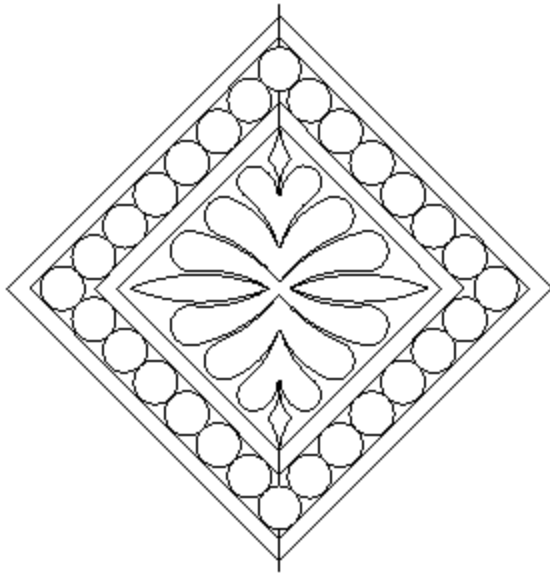

MD Channel Inside Sym Feather

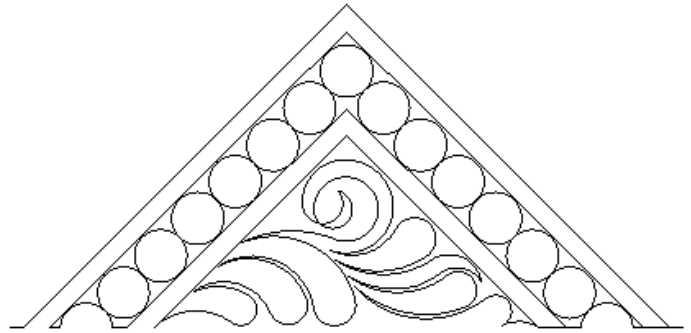

MD Channel Inside Rose

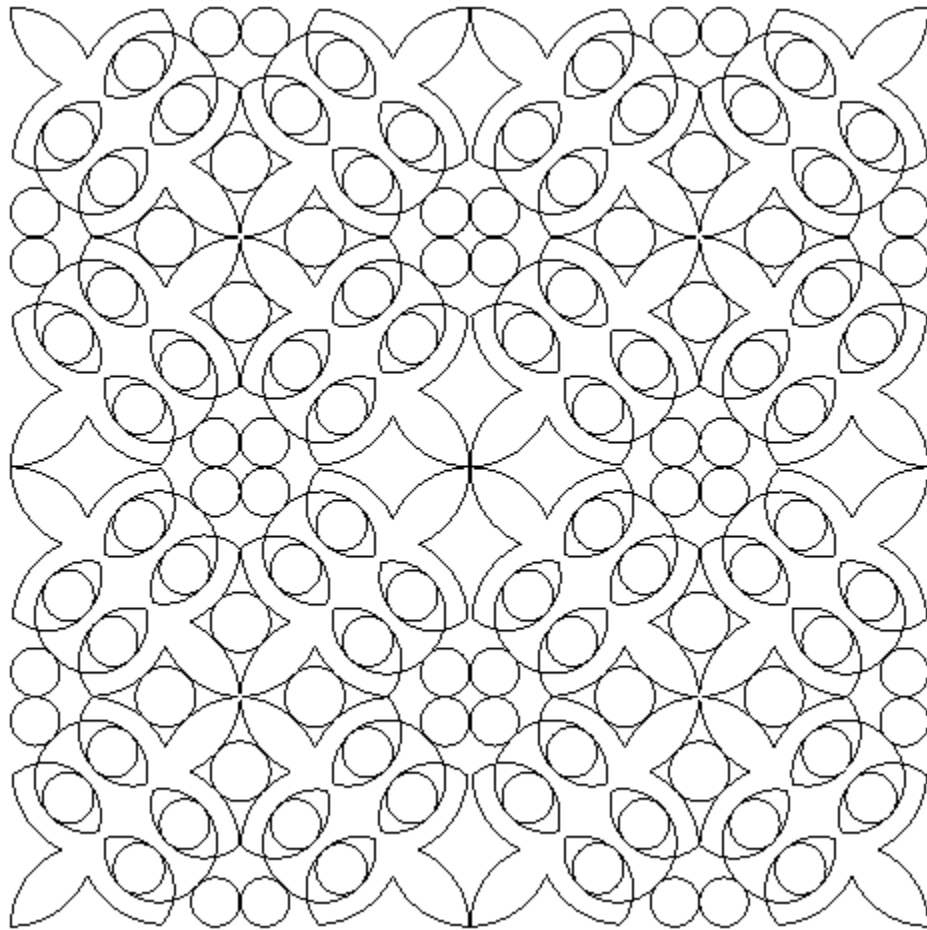

MD Channel Inside Pearl Curl

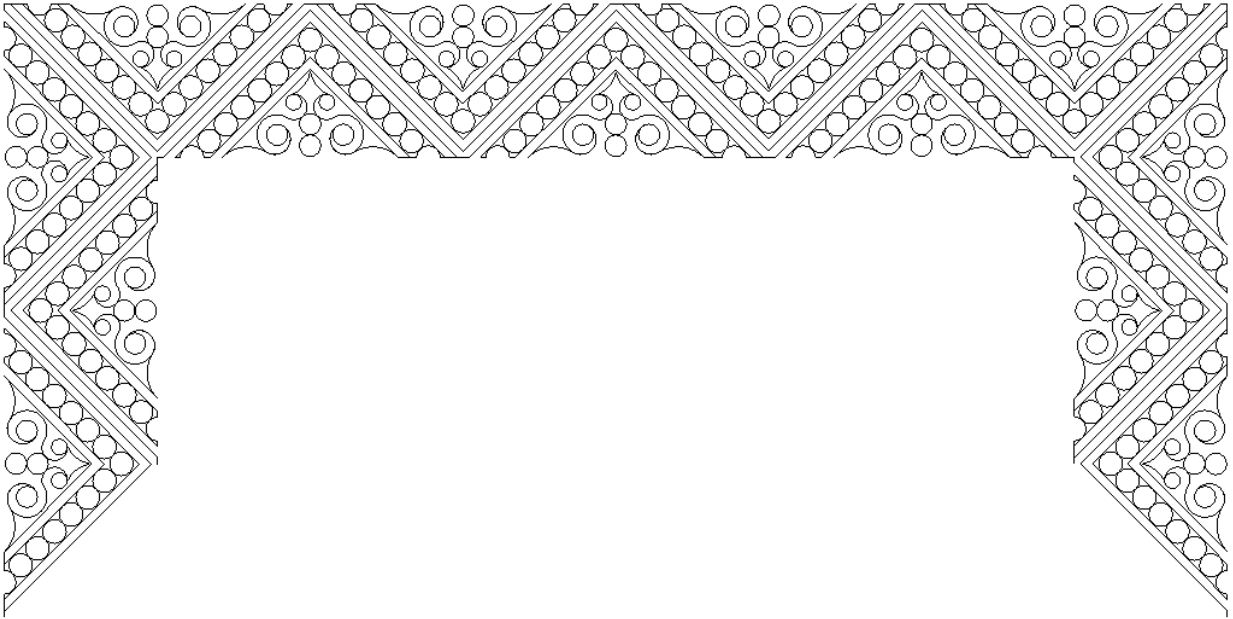

MD Channel Pearl with Sym Feather as Block

MD Channel Pearl with Featherish

MD Channel Inside Loopy Circles

MD Channel Pearl with Inside Pearl Curl as border

All the Inside triangles can be used as p2p triangles on their own.... And you can even use your own p2p triangles as inside patterns with the triangle base.

And of course the inside triangles are interchangeable with other Modular Channel Triangle bases.

Enjoy!

Joyce
