

# Creative Studio Fill Function

Anita Shackelford 2015

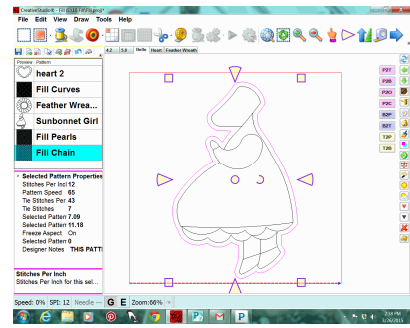

## Background Textures

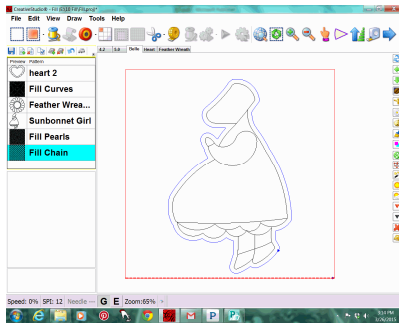

Mark the block boundary.

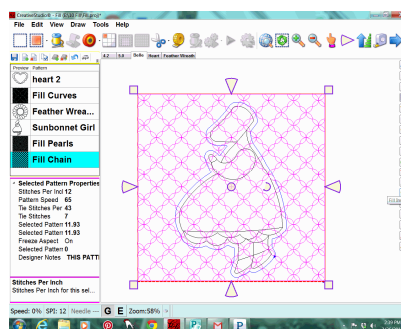

Add an echo line around the applique or center motif.

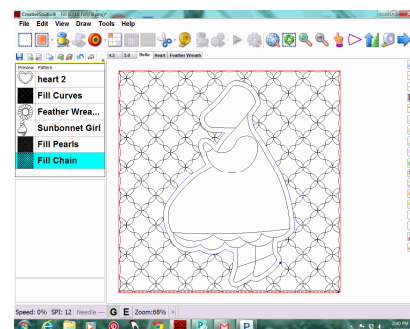

Convert the echo to a Boundary.

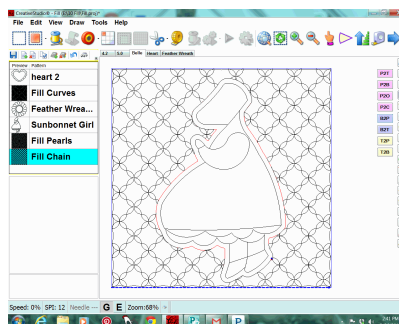

Two Boundaries in place.

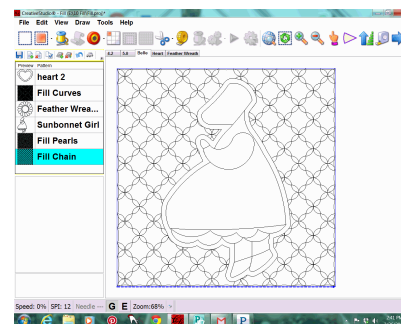

Place the Fill pattern and choose Fill Inside.  
(fill between two boundaries)

Finished Fill pattern in place.

Select the Boundary and Convert it back to an echo line.

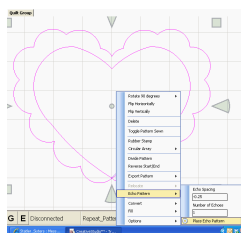

Stitch the echo last.  
The finished pattern will stitch with no tie offs.  
This Fill pattern is called Chain.
